TO: Superintendents, Principals and Athletic Directors

FROM: Tom Welter, Executive Director

SUBJECT: 2013-14 ADM Figures

The OSAA has completed its computation of the 2013-14 ADM Figures. The information was compiled using data supplied by the Oregon Department of Education and OSAA member schools.

Per OSAA policy, the Executive Board automatically reviews schools that exceed the upper enrollment limit for its classification. Additionally, schools that fall below the lower enrollment limit for its classification may petition to the Executive Board for emergency placement in the next lower classification.

The Executive Board meets on Monday, December 8, at the OSAA Office in Wilsonville. Please submit any information for the Executive Board by Wednesday, November 26 so we may include it in the packet of materials distributed prior to the meeting.

**6.2. Changes in classification during a four-year time block.**

- 6.2.1.** The Executive Board may make what it considers a necessary change or changes in classification either up or down during a four-year time block.
- 6.2.2.** The process for changes in classification during a four-year time block shall be as follows:
  - (a)** After a school has been placed in a classification for a four-year time block and the school exceeds the upper enrollment limit for its classification, the school shall be subject to review by the Executive Board for possible placement in the next higher classification for the remainder of the time block.
  - (b)** After a school has been placed in a classification for a four-year time block and the school falls below the lower enrollment limit for its classification, the school may petition the Executive Board for emergency placement in the next lower classification for the remainder of the time block.
  - (c)** After a school has been placed in a classification for a four-year time block based upon a request to the Classification and Districting Committee to “play up” to a higher classification than required by the ADM for that school, that classification placement may not be reviewed by the Executive Board during the four-year time block unless there is a significant drop in enrollment due to factors beyond the control of the school as determined by the Executive Board.
- 6.2.3.** The Executive Board shall consider classification changes during the four-year time block only at the annual December Executive Board meeting.

Please contact any Executive Staff member with questions.
