DISTRICT COMMITTEE DUTIES

Each district is represented by a committee of three (3) high school principals appointed by the Executive Board. Representation for each district in each classification is listed on pages 5 and 7 rather than by name of individual serving on the committee. The principal of the first school listed shall serve as the committee chairman.

All schools should be given equal consideration in the formulation of district plans. There should be a method for the selection of representatives in case of ties.

NOTE: Any school participating in a district program that necessitates being placed in a district listed on pages 5 and 7 should make sure it is included in one of these special districts.
